PAINT FINISHES FOR EVERY ROOM AND SPACE

The simplicity of our tinting system means you can enjoy picking your colour from any of our collections and then decide on the most suitable finish for your decorating project.

Our experts are available in-store to help you choose the perfect finish for any space giving you the professional finish to your decorating project.

CERAMIC MATT

Stain-resistant, washable interior paint with added ceramic microsphere technology - great for interior walls and ceilings. Perfect for busy places where a matt finish is preferred. **A flat matt finish that is silky smooth.**

INTERIOR MATT

A durable, wipeable interior paint with a smooth matt finish. Ideal for interior walls and ceilings. Formulated to help conceal surface imperfections. **Smooth matt finish.**

SOFT SHEEN

Durable, washable interior paint with a gentle illuminating finish. Ideal for walls in kitchens, bathrooms or where a soft sheen finish is preferred. **Gentle, illuminating finish.**

EGGSHELL

FOR INTERIOR & EXTERIOR USE

Waterbased alkyd for wood and metal, with virtually no odour. Its discreet low-sheen finish will give woodwork a profound richness.

Gentle sheen that still has a tough, easy-clean finish.

SATIN

FOR INTERIOR & EXTERIOR USE

Waterbased alkyd for wood and metal, with virtually no odour. A popular lower sheen paint that delivers a tough, easy-clean finish. **A lower sheen finish than gloss.**

GLOSS

FOR INTERIOR & EXTERIOR USE

Waterbased alkyd for wood and metal, with virtually no odour. Exceptionally hard wearing and easy to clean. **Superb high-gloss finish.**

WEATHER

FOR EXTERIOR USE

Long lasting, pure acrylic exterior masonry paint. Mould and mildew resistant, has excellent spread and coverage, is easy to clean and resists dirt pick-up.
