The California Range is constructed using a zinc plated steel structure wrapped with a hand woven double weave. The tables from this range come with a tempered glass tabletop and the chairs

and stools and complemented with shower proof cushions. This complete range is backed with a 2 year UV guarantee ensuring peace of mind.

The Ballygowan Range is constructed using only 100% recycled aluminium structure giving it a heavy-lightweight sturdiness. With marine grade stainless steel fixings you can ensure that this furniture will last

a lifetime. This is why we offer a 10 year structural guarantee ensuring peace of mind. Chairs and benches are complemented with shower proof BSFR cushions.
